WELCOME MILITARY FAMILIES

Fertitta Middle School is proud to be a Purple Star School within the Clark County School District. Since receiving our designation in 2024, we have been committed to making our military connected students and families feel welcomed, supported, and part of our Firebird family.

SUPPORT AT FERTITTA

Our military connected students have access to a Purple Star Point of Contact, Student Ambassadors, monthly gatherings, transition support, and after school tutoring.

Our staff also receives professional development to better understand the transitions and unique experiences military children may face. This helps us provide support and connection when students need it most.

STUDENT AMBASSADORS

Our Student Ambassadors welcome new military students, help them navigate campus, make connections with other students, and provide a friendly face from their very first day.

STUDENTS MAKING A DIFFERENCE

Our Leadership students help bring Purple Star to life by creating lessons and activities that build understanding and celebrate our military students.

MONTH OF THE MILITARY CHILD

Each April, we celebrate the Month of the Military Child with activities such as our Purple Out Day, student created lessons, purple star displays, Leadership activities, and our Isibindi Assembly recognizing the courage and resilience of military children.
